WELCOME

This summer we will **celebrate 50 years** of camping at New Life Bible Camp. In 1972, when gas was \$.36 a gallon and the President was Richard Nixon, a small summer camp was started by Sugar Run stream in Buffalo Mills. Since those early days, when local campers were picked up at their homes and brought in for a day camp program, New Life has continued to grow. **Now, 50 years later,** we have residential, day camp, and adventure program options throughout an eight-week summer camp schedule. While the landscape of camp has changed, and certainly the price of gas, the core values of why New Life was founded have stayed the same – to provide a Christian camp where God's word instructs how we play, relate and teach.

Summer Camp 2022 will be a wonderful year of camping at New Life. Your camper will gain the attention and care of remarkable counselors and staff while they participate in a program with creative games and activities. The foundational element of camping at New Life is the teaching of God's word. This is done in large group meetings, small cabin Bible studies, and also on the trail or one-on-one with counselors who will apply the truth of scripture to everyday living.

Camp Kainos is our residential camping program serving up to 60 campers with lodging, meals, and activity centered around the Main Lodge. Day Camp allows younger campers to come to camp just for the day and uses the camp property for their games, crafts, meals, and meetings. Adventure Camp has a base of operation at a small wooded campsite on the far side of the camp property. From this campsite they travel and experience a wild variety of outdoor challenges.

No matter what program you send your camper to, you can be sure that they will have an unforgettable week, make lots of friends, and

learn all about our creator God!

Camp Kainos

(Residential Camp)

New Life is turning 50 years old! Many campers think that 50 years is ancient history, but at Camp Kainos, we will celebrate this milestone anniversary by looking at the true beginning, the Creation Story, during our cabin Bible studies. Your camper will enjoy the residential camp experience. The counselors at Camp Kainos will lead your camper throughout all the fun each day. There are a wide variety of camp activities (see page 3) as well as creative games, campfires, campouts, skit nights, vibrant and energetic worship, and so much more. For the past 50 years, New Life Bible Camp has been a great place for campers to experience God in the outdoors and to discover truth from God's Word. At Camp Kainos, we want the campers to understand the truth of God's Word in such a way that it impacts their life away from camp all year long. We look forward to seeing you this summer!

Summer Theme:

In the beginning God created the heavens and the earth!" **Genesis 1:1**

This summer we will share the truth of where we come from, who God is, what He did for us, and how we can have a saving relationship with Him. Genesis 1:1 states "In the beginning God created the heavens and the earth." Each day of the camp week, we will look into the Word of God to understand the process of how God spoke creation into existence out of nothing, and how He created mankind to have a special relationship with Him. It is our hope to help each camper discover the starting point of life, as it all begins with one's faith and trust in the statement, "In the beginning God!" Pray for us this summer as we help the campers know that God is not only our Creator and Sovereign Lord, but He is also our Savior and Redeemer.
