## Dear Parent,

Thanks for reading through New Life's 2023 summer camp program brochure. Within these few short pages are the hope and promise of a tremendous summer camp experience for children in grades 1-12. New Life Bible Camp exists to provide an outdoor camp experience that blends God's Word with a whole bunch of fun. Our goal this summer is to teach the campers how to read, study, and apply the Bible. Of course, in addition to the small group Bible lessons and the large group worship meetings, there are a wide variety of camp activities and games that will be sure to thrill your child.

The three program choices at New Life complement each other and give you (as a parent) a number of different options for your child. Camp Kainos is our residential program with up to 60 campers attending and most of the activity is either in or around the Main Lodge and lower side of camp. The Day Camp program is for children going into grades 1-6. While these campers only stay for the day, the schedule is packed with games, crafts, camp activities, meals, and Bible studies. Adventure Camp is an outdoor experiential learning program designed for a smaller number of campers. The campsite is located on the camp property, but they travel and experience a wide variety of outdoor challenges.

Turn the pages and see which program you can see your child enjoying the most! Because New Life hires fantastic counselors and trains them to lead your child well, a camp week has the potential to be a very pivotal week in the spiritual life of your child.

Sincerely,  
Todd Donaldson

*A quality camp where God's Word impacts each camper!*

# Camp Kainos

(Residential Camp)

## Excitement for ALL ages!

We would love the opportunity to spiritually invest in your son or daughter. Check the schedule for the Camp Kainos week and sign up today.

The power of camp is the coming together of great relationships in a fun and safe environment where learning happens during all the moments of the day. New Life's Camp Kainos provides this kind of experience for children and teens. Camp Kainos is a residential camp program based out of the Main Lodge. Campers live in small cabin groups with trained and caring counselors that seek to serve the camper throughout the week. The schedule includes camp activities (page 3), games, devotions, Bible studies, crafts and fun events that give special memories for years to come. Within the Camp Kainos program, campers will be able to connect real-life choices with the experiences at camp through good facilitation by the counselors. One of the greatest experiences that your camper will have at New Life is studying God's Word with other campers in small cabin groups. God will use this time to reveal Himself to them and amplify the power of camp in their lives for all eternity.

## Summer Theme:

This summer we will share with the campers the importance of investing time and effort into the study of the Word of God! As we read through various passages of Scripture that focus on basic truths about Jesus Christ, we will be asking three basic questions. The first question is “What?” looking to comprehend the truth through the process of observation. The second question is “So What?” looking into interpreting the passage and seeing how it may apply in our individual lives. The final question is “Now What?” looking into the challenges of the passage; discovering ways that we can practice the truth of the Bible when we return home from camp. It is our hope and prayer that each of the campers, as well as the staff, will accept this challenge of discipleship through reading the Bible daily in order to develop a mature and growing faith in Christ. When Paul wrote to Timothy, he told him that spending time in the Bible was profitable for doctrine, reproof, correction and righteous instruction, and through it, the followers of God will be complete, thoroughly equipped for every good work (2 Timothy 3:16-17 NKJV). In John 1:1-5, Jesus is called the “Logos” which means the exact expression of all that God is. To know the truth of who God is and how He desires to do a good work in our lives, we must spend time in the Word!

Then Jesus said to those Jews who believed Him, “If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.”  
John 8:31-32

## THE GOSPEL ACCORDING TO JOHN

### The Eternal Word

1 In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by (him) and without (him) was not any thing made that was made. In him was life, and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.

### John's Witness: The True Light

6 There was a man sent from God, whose name was John. 7 He came to bear witness of the Light, that all might believe through him.

Vs. 1 – “Word” refers to Jesus  
\*Jesus IS God!

Vs. 3 – Jesus created ALL things!

Vs. 4 – We have New Life in Christ

TRUTH is Revealed!
