ADVANCE Prep

If you are sure that the Lord desires you to serve with us this summer, here are some things you can do to prepare for a full summer of ministry:

- Pray that when the Lord gives you opportunities to share the Good News with your campers, you will do so with clarity and with humility.
- Pray that your campers might come to know the Lord and grow in their walk with Him.
- Pray that you might be able to demonstrate a Christ-like heart to your campers and staff peers.
- Pray that you might present yourself as a living sacrifice, holy and acceptable to the Lord!
